CHAPTER #164

*People often say that motivation doesn't last. Well, neither does bathing
- that's why we recommend it daily. - Zig Ziglar*

Chairman's Corner

It appears the last of the motorcycles have left town, which means it is fall and then winter will be setting in soon. This is the time where many companies and properties go into a slower mode, except those who are in the higher elevations. We hope for their sake it will be an above average winter and get a tremendous snow fall this year. In these quieter times I would

like to encourage you to start reviewing your emergency response and continuity of operation plans as these are very important cornerstones of your operation. Equally important is training your officers on the most current policy changes and best practices. It does not take very much time to cover a simple topic at each shift change or

Chris Brockway, CPP

CHAPTER MEETINGS

Held the first Wednesday each month at the Atlantis Hotel Resort. starting at 11:30 am and includes lunch. Cost is \$20. Guests are encouraged
The next meeting will be : **October 3rd.**

Guest Speaker- Chris Long

Photo from <http://www.co.washoe.nv.us>

This month's guest speaker was Chris Long with Washoe County Sr. Network Engineer. Chris spoke to the group about Leading Cyber Security (LCS) course will be offered by the CIAS as part of our Community Cyber Security Program. provided by a Department of Homeland Security (DHS) grant.

This course is intended for non-technical leaders and introduces cyber security fundamentals, establishes a common frame of reference and begins broadening cyber security awareness at all levels. The LCS describes where the cyber security threat to communities originates (i.e., who the bad guys are), what they target, how they attack us, and what we, as senior leaders and decision makers, and what leaders can do to protect our state and community. To sign up for free classes contact Chris as Clong@washoecounty.cis

(Continued from page 1)

make the material available during the shift. Thanks to Dean Hill we are all being kept informed of all the incidents occurring throughout the area and just in the past few days there have been several armed robberies. The "bad guys" seem to be getting bolder, so it is extremely important that you stress officer safety and be the best witness you can be and let the professionals, our law enforcement agencies make the arrests.

In December we have the opportunity to show our respect by honoring the various law enforcement agencies with our annual "Law Enforcement Appreciation

Lunch". This is our time to say thanks for protecting us

and responding to our calls for assistance. Each year this event grows and I expect this year to be much larger because of the time change. Dean researched all the events and chose this date as there does not seem to be any conflicts. Please plan on attending and making this the biggest event in our chapter's history. I believe that our historian, Ken Braunstein can probably provide the numbers for each event. In order to reduce the cost, dean will be soliciting donations of \$250 for

*I am so clever
that sometimes I don't understand a
single word of what I am saying.
- Oscar Wilde*

each recipient and this gives us the opportunity to give back, so please make every effort to get your company to contribute.

I would be remiss if I did not thank John Puccioni for filling in for me during my prolonged absence, as well as Jay Martin who was a big help in keeping me focused on the special events and awards. I am glad

that we have that professional relationship in this chapter as it just makes it stronger.

Thank you both again for your assistance.

I am hoping at the next meeting that we will receive reports from those who attended the ASIS International Conference. I am sure that Darrell Clifton would be able to share some of his knowledge with us. I look forward to seeing you at the next meeting, October 3rd, 11:30 at the Atlantis Hotel Casino.

Chris D. Brockway, MPA CPP
Chapter Chair

*In December we have the opportunity to show our
respect by honoring the various law enforcement agencies*

ASIS Annual Seminar and Exhibits

Member Jay Martin attended the ASIS Annual Seminar and presented donations to the ASIS Foundation on behalf of the Northern Nevada Chapter for \$500 and the Military Liaison Council for \$500 to jump start their scholarship fund. They were able to award three scholarships in total for active duty military personnel to obtain a certification and was a big success!

Jay also won a free throw shooting contest sponsored by Protection One and all-expense paid trip to ESPN's HQ for live viewing of a Mike & Mike in the morning show

LAW ENFORCEMENT APPRECIATION

The annual Law Enforcement Appreciation Awards Ceremony is scheduled for Wednesday, December 5th. Seating will begin at 11:00 AM with lunch anticipated to be served at 11:30. We anticipate the event to conclude at approximately 1:30 PM.

As in years passed we will be awarding the recipients with a very nice plaque and a \$250 Gift Certificate (this year it will be to Maccabee Arms again). We are asking for donations to cover the costs of the Gift Certificates. We anticipate having 12 agencies recognized this year (adding two to last year's total). I already have commitments for 3 of them, **which leaves 9 still to be covered.**

If interested, please let Dean Hill know. If you need something to present to your management or accounting, let Dean know and he will provide you with a written donation request letter. Upon confirmation of the donation, he will provide you with a tax form for your records with our tax id number and confirmation that ASIS is a tax exempt 501(c)(3) association. Please have checks made out to ASIS Chapter 164 (LEA in the notes) and we can submit the actual checks to the Treasurer in advance or at the event.

Thank you for your contributions towards our continuing efforts to recognize Law Enforcement and foster the close working relationships we enjoy.

Employers Must Begin Using New Fair Credit Reporting Act Summary of Rights Form by January 1, 2013

by Joseph A. Kroeger and Matt P. Milner

Beginning January 1, 2013, employers will be required to provide a new version of the form entitled Summary of Your Rights Under the FCRA (Summary of Rights) to

individuals before taking any adverse action based on the contents of a consumer report. Fortunately, the adverse action process that employers are to follow under the Fair Credit Reporting Act (FCRA) has not changed, only the Summary of Rights form.

Approved

◆ Treasury report not available at the time of meeting

◆ New member introductions— Austin Bharadwaja

◆ Relationship Manager for Guardsmark in Northern Nevada

**Chapter Secretary
and Newsletter Editor**
Jennifer Andress Belk

12:15 Guest speaker Chris Long spoke to the group about the Cyber security training opportunities that are available to the community thanks to a grant from the Department of Homeland security. Chris shared best practices and an invitation for all members of the business community to take advantage of this opportunity to network and learn tools and skills that can be utilized to protect business and the community. The next class is to be held in November

The members conducted a raffle for donated prizes and the meeting was adjourned.

Dean walked into a bank in Reno asking for a loan for \$4000 dollars. "Well, before we lend you the money we are going to need some kind of security" the bank teller said.

"No problem" Dean responded here are the keys to my car "you'll see it, it's a black Porsche parked in the back of the parking lot."

A few weeks later Dean returned to pay off his loan. While he was paying it up, along with the interest of \$11 dollars, the manager came over, "sir, we are very happy to have you're business, but if you don't mind me asking, after you left we looked into you and found out that you are a millionaire, why would you need to borrow \$4000 dollars?"

"Well, the fellow responded it's quite simple, where else can I park my car for three weeks in Reno for \$11 dollars?"
